

There will be no Subway service from Union Station to St Clair West Station all weekend (just our luck !!)

Shuttle Busses will operate between Spadina Station and St Clair West Station (a fairly short trip)

If you are staying downtown, you can either take the 510 Spadina streetcar up to Bloor to catch the shuttle, or take the Yonge subway line up to Bloor and then cross to Spadina. You could also take the Yonge subway up to St Clair station and then catch the 512 streetcar west to the St Clair West station.

It's about 20 minutes on the subway from St Clair West up to the track at Pioneer Village Station

If you need more specific directions, the TTC have a team of routing experts who can assist over the phone at **416 393 4636**
