

The Jim Breslin Cup

Ontario Masters Cross Country Club Series 2018

Jim

- Club Teams do not need to be declared in advance, the top 5 AG% results, male or female, in each event, from each club, will be averaged to produce the Club's score
- Overall scoring will be averaged from the best result of the first three races, as well as the ONT and CAN championships
- Clubs must have at least 5 runners in an event to be considered a team – one must be of the opposite gender

The Series is limited to athletes who are bona fide members of a Club that is registered with the OMA (see the list of registered clubs on the CLUBS page).

Individual races have separate Team awards – Clubs may enter any number of teams

A Club MUST compete in one of these three cross country events:

OMA Taylor Creek 5K
CMA Don's Harriers 4K
OMA Sunnybrook 8K

as well as both of the Championships

Ontario Cross Country Championships – King City
Canadian Cross Country Championships - Kingston

The series awards will be made at the National Championships in Kingston.
A club's entries may change from one race to another. An athlete may not change clubs during the series.

Jim Breslin was a long-time member of the Ontario Masters.

Past Cup Winners

2017	Newmarket Huskies
2016	Newmarket Huskies
