Our congratulations to the Organizing Committee who hosted another great cross country championship. In particular, our thanks to Marc Beaudoin the Meet Director and Carol Lepage who handled the entries and results. We also thank the town of Moncton, the officials and of course the many volunteers needed for an event of this kind, for their hospitality and when necessary, their patience.

**W35 Nathalie Dupuis PQ, M45 Alex Keeting ON  
W45 Nanci Sweazey ON,**

The weather conditions were much better than last year even if the temperature was somewhat cooler. This fact, combined with some changes to the course, resulted in many of the participants completing the race in a faster time than in 2001.

Congratulations to British Columbia, although only represented by five (5) runners, won the 'Bluenose' by finishing with an age graded total 8.32% greater than Ontario. This evens up the number of times the trophy has been won by these two provinces to six apiece.

Three club teams repeated as winners again this year - W40-49, League Of Their Own from Nova Scotia (in 2001, they were the winners of W35-45); M40-49 - Owen Sound Runners from Ontario; M60-69 - Etobicoke Huskies Striders from Ontario.
