

29th Annual
Ontario Masters Outdoor Track & Field Championships
York University, Toronto
June 10 & 11, 2000

There could not have been a greater contrast between weather conditions on Saturday and Sunday. The first day was very hot and humid. Richard Kihn, our Treasurer, was baking out in the sun all day running the throwing events. The annual meeting was held out under the trees, as the President couldn't drag himself indoors. The second day started somewhat the same, but by the time the racewalks started, someone had turned on the air conditioner way up! The temperature dropped about 15c. When the Women's race got underway, the monsoon started. A very dedicated team of volunteers held on to judge, and time the event. It was the worst conditions that many could recall for a meet. The officials at the men's Shot couldn't record any throws, so they had to abandon the field. The 200m and 800m had to be moved Indoors.

100m

WOpen

Carty, Linda 13.57 1.6

Kuczalska, Agnes 13.79 1.6
