

CANADIAN MASTERS TRACK AND FIELD CHAMPIONSHIPS

The first of three weekends in a row of National and International track meets started with the Canadian Masters Track and Field Championships in Victoria from August 9-11. The meet was held on the University of Victoria track which was also the sight of the 1994 Commonwealth Games. This is a marvelous track and field facility with a fast track. The conditions on the first two days were almost ideal but on the Sunday it was very windy.

With her world record winning height of 1.75 in the W40 High Jump British Columbia's Debbie Brill was selected as Athlete of the Meet and recipient of the Able Travel Award.

Selected as Athlete of The Meet and winner of the Able Travel Award was BC's Debbie Brill W40 for 1.75 metre world record high jump

There was also a strong International flavour to the meet with several outstanding athletes from overseas including Jennifer Fisher W35 from Bermuda Frank Hearn M55 from Ireland, Peter Crombie M50 from Australia and many from the USA including W45 400 Metre world record holder Mary Libal.
